

FOG Update on 06 Jan, 2011, 9.30am:

Heavy fog persists in major parts of the country especially on and around the motorway.

From last 24 hrs very heavy FOG has been reported in Islamabad, Rawalpindi, Lahore, Multan, Muzaffargarh, and along the Motorways at different areas from 9pm to 10am, daily; and it will continue for next 7 to 10 days.

Surface travel warrants for extreme caution. Please follow the link and keep yourself updated on hours of heavy fog and safe travel routes through www.nhmp.gov.pk or <http://pakmet.com.pk/FOG/Motorway.html>

Admin/Log: We may look at the option of using fog lights to increase road visibility, for operational critical road travel.
